

Black Dragon Tea company portal

Home page

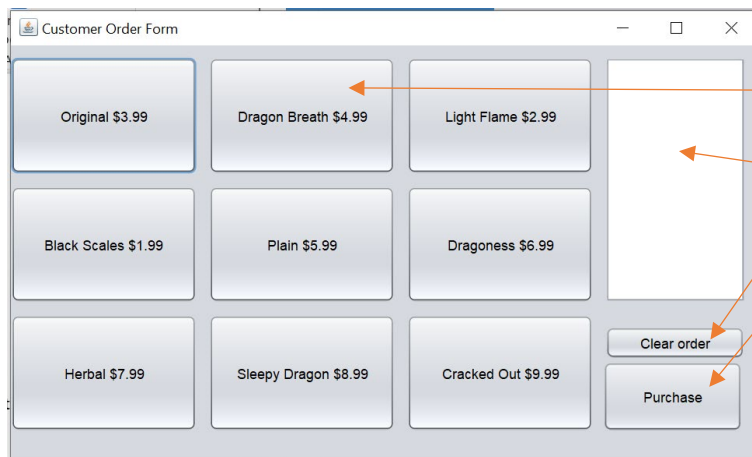

- Select "Processes" to navigate to "employee interface"

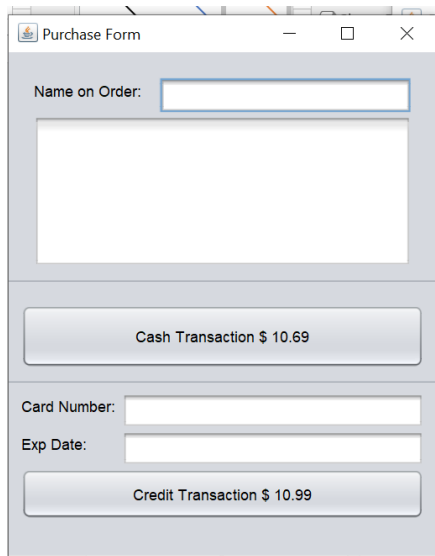

- Select "Order a cup of tea here" or select "Customer Interface" to order tea.

"Order a cup of tea here"

- Users can select any number of cups of tea
- Users can see running total
- Users can clear order to start again
- Users can press Purchase in order to start the payment system.

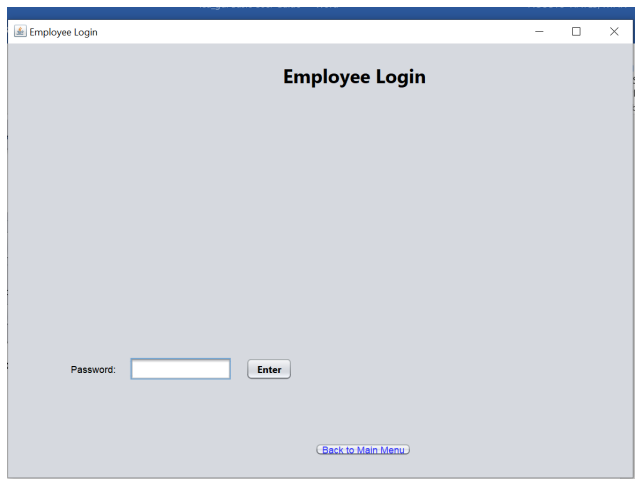

Purchase Menu

The screenshot shows a window titled "Purchase Form" with a standard Windows-style title bar. Inside the window, there is a label "Name on Order:" followed by a text input field. Below this is a large, empty rectangular box. Further down, there is a button labeled "Cash Transaction \$ 10.69". Below the button, there are two labels: "Card Number:" and "Exp Date:", each followed by a text input field. At the bottom of the form is a button labeled "Credit Transaction \$ 10.99".

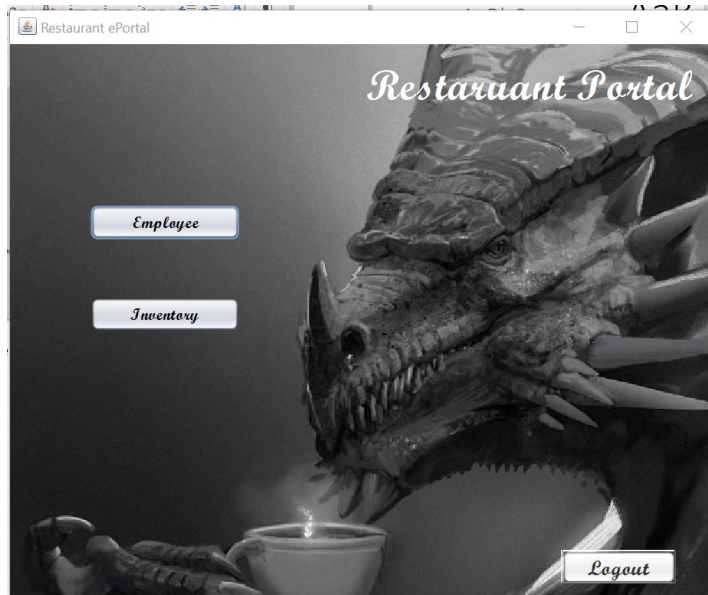

- Add name to the order
- Select either "Cash transaction" or "Credit Transaction"
- Cash transaction will print out payment dialog
- Adding a credit card number and expiration date to bottom text areas will process a credit transaction when pressed.

Employee login in

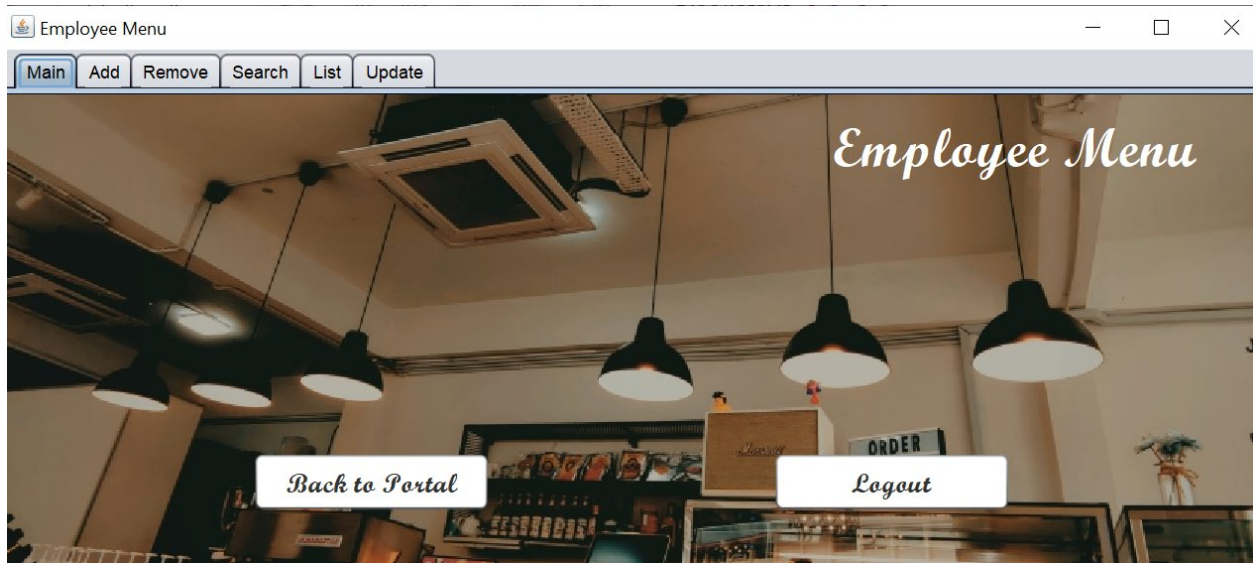

The screenshot shows a window titled "Employee Login" with a standard Windows-style title bar. The main content area has a light gray background. At the top center, the text "Employee Login" is displayed. Near the bottom left, there is a label "Password:" followed by a text input field and a button labeled "Enter". At the bottom center, there is a blue hyperlink that says "Back to Main Menu".

Simple log in page. Password is "admin123". Login takes you to the restaurant portal.

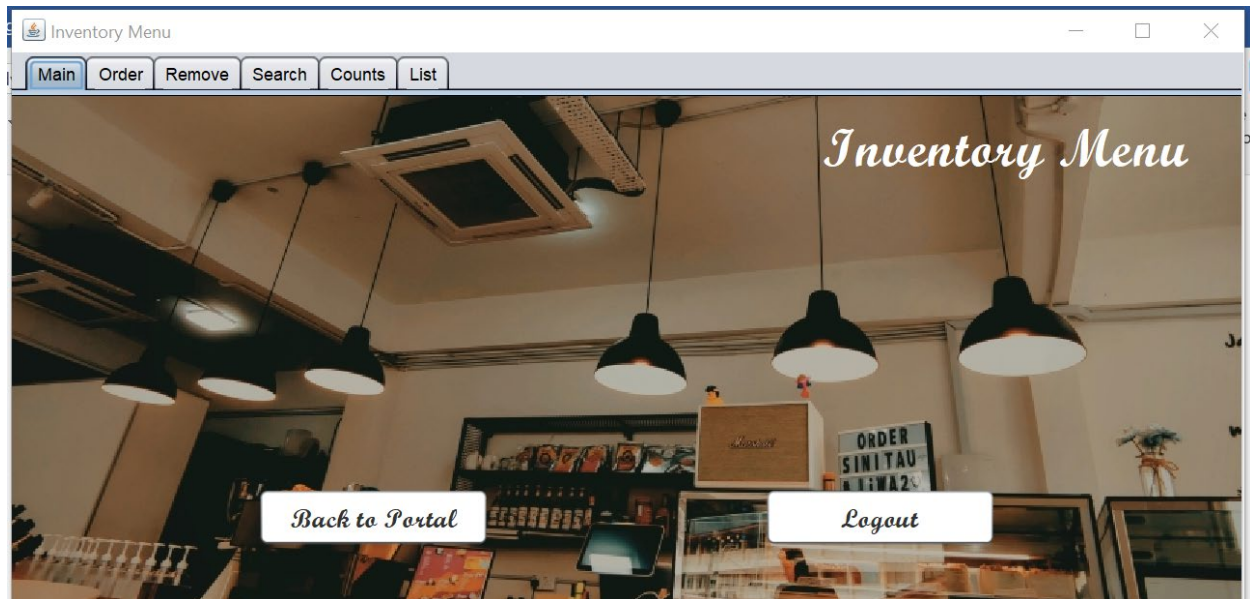

Employee menu

Using this screen and the tabs at the top an authorized user can Add, Remove, Search, list and update employee records.

Inventory Menu

Authorized users can order(add) more inventory, remove inventory, search for a specific item, get a list of all items in inventory by using the tabbed menu.
